## COOPER SPUR MOUNTAIN RESORT 2010-2011 WINTER SEASON CONTRACT OF RELEASE AND INDEMNIFICATION

**Please read carefully! This is a release of liability and waiver of certain legal rights.**

The purchaser, holder and/or user of this Pass or any person named on the Pass application ("Participant") understands that skiing, snowboarding and other winter activities ("Skiing") can be hazardous and that injuries are common when participating in such activities. Participant accepts and assumes the risks associated with Skiing, including, but not limited to, changing weather conditions, variations and steepness in terrain, terrain features and parks, snow or ice conditions, surface or subsurface conditions, bare spots, creeks and gullies, forest growth, rocks, stumps, the use of lifts, collisions with natural or man made objects or other persons, grooming and snowmobile equipment, lift towers and other structures and their components, falling, loss of control, and exceeding one's ability. Participant hereby freely and expressly assumes any and all risk of property damage, injury, and death associated with Skiing.

In consideration for lift access and the use of any other area facilities and premises, Participant hereby agrees to release, hold harmless, and indemnify Mt. Hood Meadows and Cooper Spur Mountain Resort and their owners, partners, employees, directors, officers, agents, affiliates and related entities ("Meadows") from any and all claims by or on behalf of Participant against Meadows arising directly or indirectly out of Participant's use of this Pass and/or the area facilities and premises. This release includes claims and liabilities arising from any cause whatsoever, including, but not limited to, negligence on the part of Meadows. Participant also agrees to indemnify (including costs and attorneys fees) Meadows for any claim brought on behalf of a minor named on this Pass application. This release is effective on the date Participant signs the Pass application (or on the first day of the season in which the Pass is issued, whichever is earlier) and continues in effect for each year thereafter in which Participant purchases, renews, holds and/or uses a Pass at Meadows.

### COOPER SPUR MOUNTAIN RESORT 2010-11 WINTER SEASON PASS TERMS AND CONDITIONS OF USE

All Participants shall follow these rules and agree to be bound by terms and conditions on this application. If any part of this agreement is or becomes illegal or invalid, then the parties intend that the remainder of this agreement shall not be affected.

1. The Pass privilege is sold to an individual for personal use and is non-transferable. Each Pass expires no later than the end of the season in which it was issued. The Pass is the property of Cooper Spur Ski Area, and the Participant agrees to surrender Pass upon demand by Cooper Spur Ski Area staff. The Pass is non-refundable.
2. Participant agrees to wear the current Pass and present it to be scanned each time they board the lift and upon demand for inspection.
3. Cooper Spur Ski Area reserves the right to change opening and closing dates, operating hours, number of days in the week open, restrict access to any open lift and/or terrain at any time based on weather, snow, crowds, special events or any other conditions or reason. Cooper Spur Ski Area also reserves the right to determine the number of lifts in operation or area available for use at any given time based on snow, weather or other conditions or reasons. Cooper Spur offers the opportunity to ski, not the number of days, lifts or terrain.
4. There will be strict enforcement of all safety regulations, especially but not limited to reckless and excessive speed, skiing outside the ski area boundaries, skiing on closed trails, and/or disregard of slope etiquette, etc. Cooper Spur Ski Area reserves the right to cancel a Pass without refund for failure to comply with the regulations set herein and/or disregard for the safe use of lifts, slopes or other facilities at the area.
5. All Participant(s) named on this application must read and sign the application, and participants under 18 also require the signature of a parent or legal guardian before their Pass will be issued.

### PROOF OF AGE

Those receiving age-based discounts are required to show identification proving age at time of purchase such as a driver's license, or birth certificate at time of issuance.

### FAMILY PASS QUALIFICATIONS

Those eligible for the family discount plan include legally married couples and/or two or more dependents 22 or under (age at time of purchase). Dependents 23 or over, regardless of student status, residence or marital status are not eligible. Fraudulent information on the Season Pass Application will invalidate the Season Pass. Identification and proof of age is required for all family members at time of issue, i.e., driver's license, student body card, birth certificate, etc. In the case of married couples, proof of marriage is required, and Cooper Spur Mountain Resort may require a copy of your previous year's tax form to prove relationship to dependents. Any misrepresentation or fraudulent use of Pass will result in loss of Pass with no refund or rebate and possible prosecution.

### SENIOR CITIZEN PASSES

Any person who is 65 years or older at the time of purchase.

### LOST OR FORGOTTEN PASSES

Report lost or stolen Passes immediately. **A replacement pass is \$50.** The original Pass will be voided and placed on the Void/Bad Pass List for pick up. In the event you have forgotten your Pass, a ONE TIME ONLY "I Forgot" lift ticket can be obtained at the Pass Office in the South Lodge. If your "I Forgot" ticket or Pass is found on another person, you will lose your Pass privileges for the remainder of the season with no refund, rebate or compensation and will be prosecuted for theft of services, fraud or worse. After the first "I Forgot" ticket is issued, Participant will not receive any further complimentary privileges.

### GREEN TAGS - Help keep winter cool

Green Tags offset greenhouse gas emissions by helping the Bonneville Environmental Foundation support the development of renewable energy from "green energy" sources - solar and wind power plants. Each Green Tag offsets the greenhouse gas emitted by an average vehicle taking 10 trips to the mountain. Buy Green Tags and help keep winter cool!
